Attorney's Docket No.: MSA266ID

**INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR § 1.97.**

Hon. Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313
SIR:

Applicants are submitting the following patent documents:

Country:	Doc.number:	Class:	Relevant Date:
USA	US 5 722 290		03/03/1998
USA	"A PLANAR CAPACITIVE PRECISION GAUGE FOR FOR LIQUID-LEVEL AND LEAKAGE DETECTION" IEEE TRANSACTIONS ON INSTRUMENTATION AND MEASUREMENT, US, IEEE INC. NY, VOL. 46, NO.2, PAGES 644-646, XP000197702		04/01/1997

This statement, together with the accompanying
INFORMATION DISCLOSURE CITATION is provided to inform
the U.S. Patent and Trademark Office of known art. In view of the

many possibilities in which references can form a basis for a combination of references possibly alleged to be a basis for an obviousness type rejection in an Office Action, it is deemed to be virtually impossible for an applicant to recite references for each and every element forming part of a claim and, furthermore, in view of an unknown individual element identity precision versus state of the art, elements with some difference in element identity.

The above recited references taken alone or in combination are believed neither to anticipate or to render obvious the present application.

Consideration of the reference document during the examination of the present application is respectfully requested.

Respectfully submitted,

Frank Winkens et al.

By: *Horst M Kasper*
